

Important Announcement

[First visit]

The medical fee to be paid by a first visit patient without referral is changed.

Present fee (Department of Medicine/Dentistry)

¥1,338 (including tax)

From April 1, 2018

Department of Medicine ¥5,000 (including tax)

Department of Dentistry ¥3,000 (including tax)

[Re-visit]

A patient referred from this hospital to a different hospital may wish to receive medical care continuously at this hospital and visit here for medical care without referral. In this case, the patient is required to pay the following fee.

From April 1, 2018

ADDITIONAL FEE FOR EACH VISIT

Department of Medicine ¥2,500 (including tax)

Department of Dentistry ¥1,500 (including tax)

The above medical fee schedule is effective from April 1. We sincerely ask for the patients' understanding on this matter.

*According to the revision of medical service fees in fiscal year 2018, the regional medical care support hospitals with more than 400 beds permitted under the Medical Care Act are required to charge the medical service fee exceeding the specified amount shown above.

March 2018

President of Ebara Hospital
